PROFILE	UX design student at SCAD working across product prototyping, visual branding, interaction design, and AI-assisted workflows.	
EDUCATION	2025 – Present BFA UX Design	SCAD — Savannah, GA. Interaction design, user research, prototyping, and design systems.
	2023 – 2025 A Levels	Garden International School — Kuala Lumpur. Photography · Design and Technology · Business Studies.
EXPERIENCE	2026 – Present Product Intern	Swipey — just getting started.
	2024 Growth Intern	Vircle Malaysia — designed sticker packs for the Vircle x Minions collaboration, hero images, and a school landing page prototype.
	2023 – 2024 Exhibition Director	SOHO Exhibition — chaired the sixth form art exhibition, managing logistics, departments, branding, and marketing materials.
	2023 Marketing Intern	Moving Walls Malaysia — created social media content and launched the company TikTok page.
SELECTED PROJECTS	Work UX / Research	Franklin's — the experience starts before you walk in.
	Work UI / Interaction	Albers — colour theory you can actually play with.
	Work UX / Product	Wander — the walk is the point.
	Work UX / Research	LoomLearn — one learning space for students who think differently.
	Work Service Design	HelpOH — connecting homes to trusted help, and workers to fair work.
PROFESSIONAL ACTIVITIES	2026 Design Challenge	FigBuild 2026 — submitted Accord, a work-readiness app for amputee construction workers.
	2026 Design Sprint	Rocket x FLUX — redesigned Passio Go using Figma Make.
TOOLS	Figma · Figma Make · Adobe Creative Suite · Claude Code · HTML/CSS prototyping
