Summary

UX design student at SCAD working across product prototyping, visual branding, interaction design, and AI-assisted workflows.

Education

BFA UX Design

Savannah College of Art and Design (SCAD)

Savannah, GA · 2025 – Present

Interaction design, user research, prototyping, and design systems.

A Levels

Garden International School

Kuala Lumpur · Sep 2023 – Jun 2025

Photography · Design and Technology · Business Studies

Skills

- **UX:** interaction design, wireframing, prototyping, user flows
- **Visual:** branding, layout, photography, campaign assets
- **AI:** Claude Code, Figma Make, agent-assisted iteration
- **Product:** design systems, landing pages, social content

Tools

- Figma, Figma Make
- Framer
- Adobe Creative Suite
- Claude Code
- Codex
- HTML/CSS prototyping

Experience

Product Intern @ Swipecy

Jun 2026 – Sep 2026

Designed Swipecy's admin mobile app from the ground up, from wireframing and reference research to high-fidelity screens using the existing design system. Additional work included new feature production such as role based access, transaction custom fields and other optimisations across products.

Growth Intern @ Viricle Malaysia

Jul 2024 – Aug 2024

Designed sticker packs for the Viricle × Minions collaboration, created hero images, and prototyped a school landing page.

Exhibition Director @ SOHO Exhibition

Sep 2023 – Jan 2024

Chaired the annual sixth form art exhibition, managing logistics, departments, branding, and marketing materials.

Marketing Intern @ Moving Walls Malaysia

Jul 2023 – Aug 2023

Created social media content and launched the company TikTok page from ideation through engagement optimization.

Selected Projects

Swipecy

SaaS · Internship

Built Admin facing mobile app, role based access and custom fields for Malaysian SME's

Franklin's

UX · Research

Led a five-person team from fieldwork to final prototype.

Albers

UI · Interaction

Designed and developed an interactive colour theory macOS app.

Wander

UX · Product

Co-owned research, synthesis, concept, and Figma UI in a 48-hour sprint.

Professional Activities

FigBuild 2026

Design Challenge

Submitted Accord, a work-readiness app for amputee construction workers.

Rocket × FLUX

3-Day Design Sprint

Redesigned Passio Go using Figma Make.
